Married—At the court house in Auburn, Wednesday, September 2, 1903, by Richard F. Neal, county judge, Mr. Edward H. Knapp and Miss Eva Able. Mr. and Mrs. Knapp will go to house-keeping in a few days, having rented the Galbraith property. They have the best wishes of a host of friends for a long, happy and prosperous life.

Ed Knapp was in a perilous position for a little while Monday. He had loaded a lot of boxes of pop bottles on the dray and on top of them put a bread box and a lot of banana crates, and was sitting on the bread box driving. When the wagon went over the crossing near the livery stable the bread box was thrown off the wagon on the horses, taking Ed with it. Ed's foot caught between the single and double tree and he couldn't get loose. The horses started to run and there was a great mixup of Ed, the bread box and the horses. Fortunately Miles Knapp saw the accident and he jumped and caught the lines and stopped the team before they made more than a few jumps. Ed escaped with a few bruises.

Old Settlers' Picnic

On account of the postponement of the old settlers' picnic from Thursday until Saturday last, caused by rain Thursday, the program was almost a failure. The speakers who had been engaged could not be present Saturday. Hon. C. F. Reavis of Falls City promised to be here for the afternoon but failed to get here. The male quartette of Auburn that had been engaged for Thursday could not be secured for Saturday. The little girl's band of Hamburg, Iowa, could not get to Nemaha City on account of high water so came to Phelps and crossed over to Brownville. The train on the K. C. was late, so the band did not get to Brownville until nearly 2 o'clock, and then found they could get no team to bring them to Nemaha. They phoned here and had to wait until a team went up and got them.

The only speaking was by T. B. Skeen, Dr. S. W. McGrew and other old settlers. Most of the time was spent in visiting, talking of old times and having a good time generally.

A large crowd was present considering the postponement and the fact that it threatened rain somewhat. The number present was estimated by good judges at 5,000. Had Thursday been a good day there would have been a record-breaking crowd.

The management regret that a better program could not have been given but did all in their power to provide entertainment for the crowd. The band gave some good music after they got here and in the evening gave a concert that was enjoyed by a large crowd.

The games of base ball between the Peru and Stella teams were good ones. In the forenoon some of the Peru players were not present and the Stella players won an easy victory, the score standing 16 to 1. In the afternoon at the end of the ninth inning the score was 1 apiece and it took 11 innings to decide, the score standing 2 to 1 in favor of Stella. The base ball cranks were enthusiastic over the game.

As usual, the visitors commented on the fact that so few cases of rowdiness were noticed. Persons who have attended numerous picnics this year say we had the largest crowd and the most peaceable of any they have been to.

The old settlers on the ground in the afternoon were called to the stand and registered their names and the date they came to the state. We will publish a list later.

Catarrh of the Stomach.

When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves, and causes the glands to secrete mucus instead of the natural juices of digestion. This is called catarrh of the stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure.—J. R. Rhea, Coppell, Tex. Sold by W. W. Keeling.
